Nicole, talking to her boyfriend **Ben**.

Nicole: Ben, right now is the first moment I've been afraid of you. What...are you doing? You're a good person. This is crazy for me, too, and I can't imagine how upside down everything must feel for you. ...Ben... Babe, please don't let it make you do something that'll leave you regretting this night even more. It is just one night, and you will be the same person tomorrow you were yesterday, as long as we handle this as good people should. ...I am not against you, but there is only one way to stop me from letting that officer in. Is that what you want? More crazy? *(Silence)* Okay. *(He lets go of her arm.)* I'll be right back. I promise it's going to be okay. Ben: I love you.
