

FEMALE 20s (or teen)

From the play *Oral Histories* by Ward Kay.

*Lisa is telling the story of how she “found Jesus through oral sex.” As a teenager at a church camp, she and a boy pleased each other in the chapel.*

As I started rising in pleasure, I arched my back and looked up and saw the cross hanging there. In the instant that I saw that cross, I reached the first orgasm of my life. My body shook, the pleasure was indescribable, and I screamed “My God!”

Now, it’s a cliché that women scream “Oh God!” as they reach orgasm, but maybe it’s not just a cliché. God had led me to that moment. I believe that only a truly loving God would create us so that we could feel that much pleasure. To me, the orgasm is proof that God exists, and that God loves us and wants us to be happy.

And it’s Biblical. God led the people of Israel to the land of milk and honey. Really? Milk [grabs breast] and honey [grabs crotch]. Female sexuality. Read the Song of Solomon. The Bible shows that God loves sex – it’s the Christians that have problem with it.
